The design for to

morrow. . .today

Randolph Public Library
Asheboro, North Carolina

As brick upon brick is laid according to the architect's scheme, and an imposing edifice is constructed, so does the day by day routine of our school life build a groundwork for the future that we plan for ourselves. In constructing the master plan for a year at high school, we see the influence of many builders: the principal, the faculty, our classmates, our parents, and the individual whose life is in this formative stage. This annual, then is the record of those events which have daily played their roles in the great scheme of our Future.

In Memoriam

REID MARCUS HANNAH

June 20, 1887 — January 15, 1958

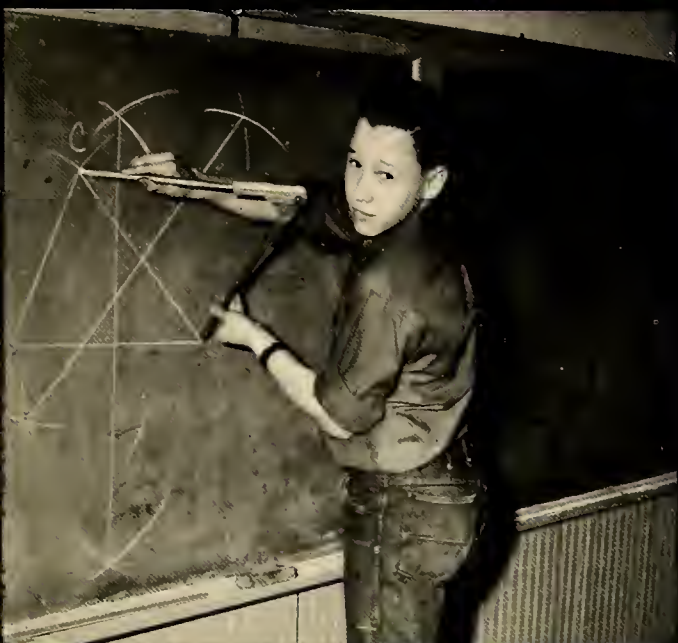

We dedicate this page to Mr. Hannah in fond memory of the true friendship and genuine love he held in his heart for each of us. He always loved young people especially and was anxious to serve them in any way he could. During the many years in which he served as a member of the Asheboro City Board of Education and more recently as Director of Food Service in our schools, Mr. Hannah's devotion to people was clearly seen by all who knew him. In his passing we feel a great sense of loss, and we shall cherish his memory throughout the remainder of our lives.

As brick upon brick is laid according to the architect's scheme, and an imposing edifice is constructed, so does the day by day routine of our school life build a ground work for the future that we plan for ourselves.

Day by day...

SNOW!

Is it worth waiting for

I WOULD get a bottom locker...

What a difference!

Homeward bound!

Little by little...

To one who has given us her patience and understanding; to one who has led us to the enjoyment of knowledge; to one who has served endlessly as a teacher, counselor, and friend; with deepest love and respect to Miss Helen Bostick we dedicate this, the 1958 Ash-Hi-Life.

To one who has given untiringly of his time and energy; to one who has given us his personal interest in all that we do; to one who has guided and directed our thoughts and actions throughout the years; with sincere gratitude and appreciation to Mr. William F. Van Hoy, Jr., we dedicate this, the 1958 Ash-Hi-Life.

The Student Council has many activities. A large majority of the Council's income comes from the school store. The lounge is kept in good order by the Student Council. Something new sponsored by the Student Council is the monitor system.

The main purposes of the Student Council are to promote a spirit of democracy within our school, to create a model of honor and citizenship, to encourage higher moral and scholastic standards, to foster closer cooperation between students and faculty, and to promote a better school spirit.

This year the Comet football squad enjoyed one of their best seasons. In winning eight out of ten contests, the Comets earned a co-championship with Lexington in the North Piedmont Conference. The regular season began with a 26-0 victory over Children's Home which was followed by a 12-6 win over the class AAA team, Fayetteville. The biggest victory of the season for the Comets was a 45-0 decision over Barium Springs. The only two losses of the season went to Lexington by scores of 21-14 and 14-0. Other victims of the Comets in the 1957 campaign were Reidsville, Concord, Davie County, Thomasville, Statesville, and Spencer. Good sportsmanship along with strong team spirit and a determination to win placed the Comets in the top of their class.

Coaches: Sal Gero, Warren Hawkins, Jim Hurst, Lee Stone.

 I don't know
 who knows where
 to start. I will never
 forget all the times you
 have over to the house and
 I never could come in a talk to you.
 She might you were dating Deb, and
 Martin was over the living-room. We didn't
 have to fight over the pretty good. We have
 had a lot of fun together. I will always be
 cheering for you while you are playing basketball.
 Lots of luck to a great boy. A living hell!!!
 May God bless you say and do.
 Loads of love,
 Martha

Dear Wayne,

We have really had a lot of fun this year and last summer while we were trying to plan the council work. You remember the night that we worked down here til real late and we were standing on the steps out front getting ready to go home and the cops came by and shined the spotlight on us. It scared me to death!! I thought we had "had" it!

Wayne, I'm going to miss working with you next year, but I know you'll do a good job in whatever you attempt. Behave yourself and don't tear the school down. I'm looking forward to a beautiful Jr. Sr. and I know you'll will have one for us. God bless you.

Dear Wayne,

Well, another year has gone and we'll be big Seniors next year. I hardly know what to say or how to say it. We've been friends for a long time and I hope that we always will be. I never shall forget all the many many good times we've had. There hasn't been many this year, well, you know why.

We've had some hard times in English III and in History haven't we?

I think you have done an excellent job in the Council this year, I would have liked to see you President next year. You really do deserve the very best of everything, Wayne. You certainly are a fine person and a well-liked one too. I'm very proud to be one of your best friends. Let's not forget each other in the years to come. I'm glad we'll be in school together next year. I hope that it will be a good year for all of us.

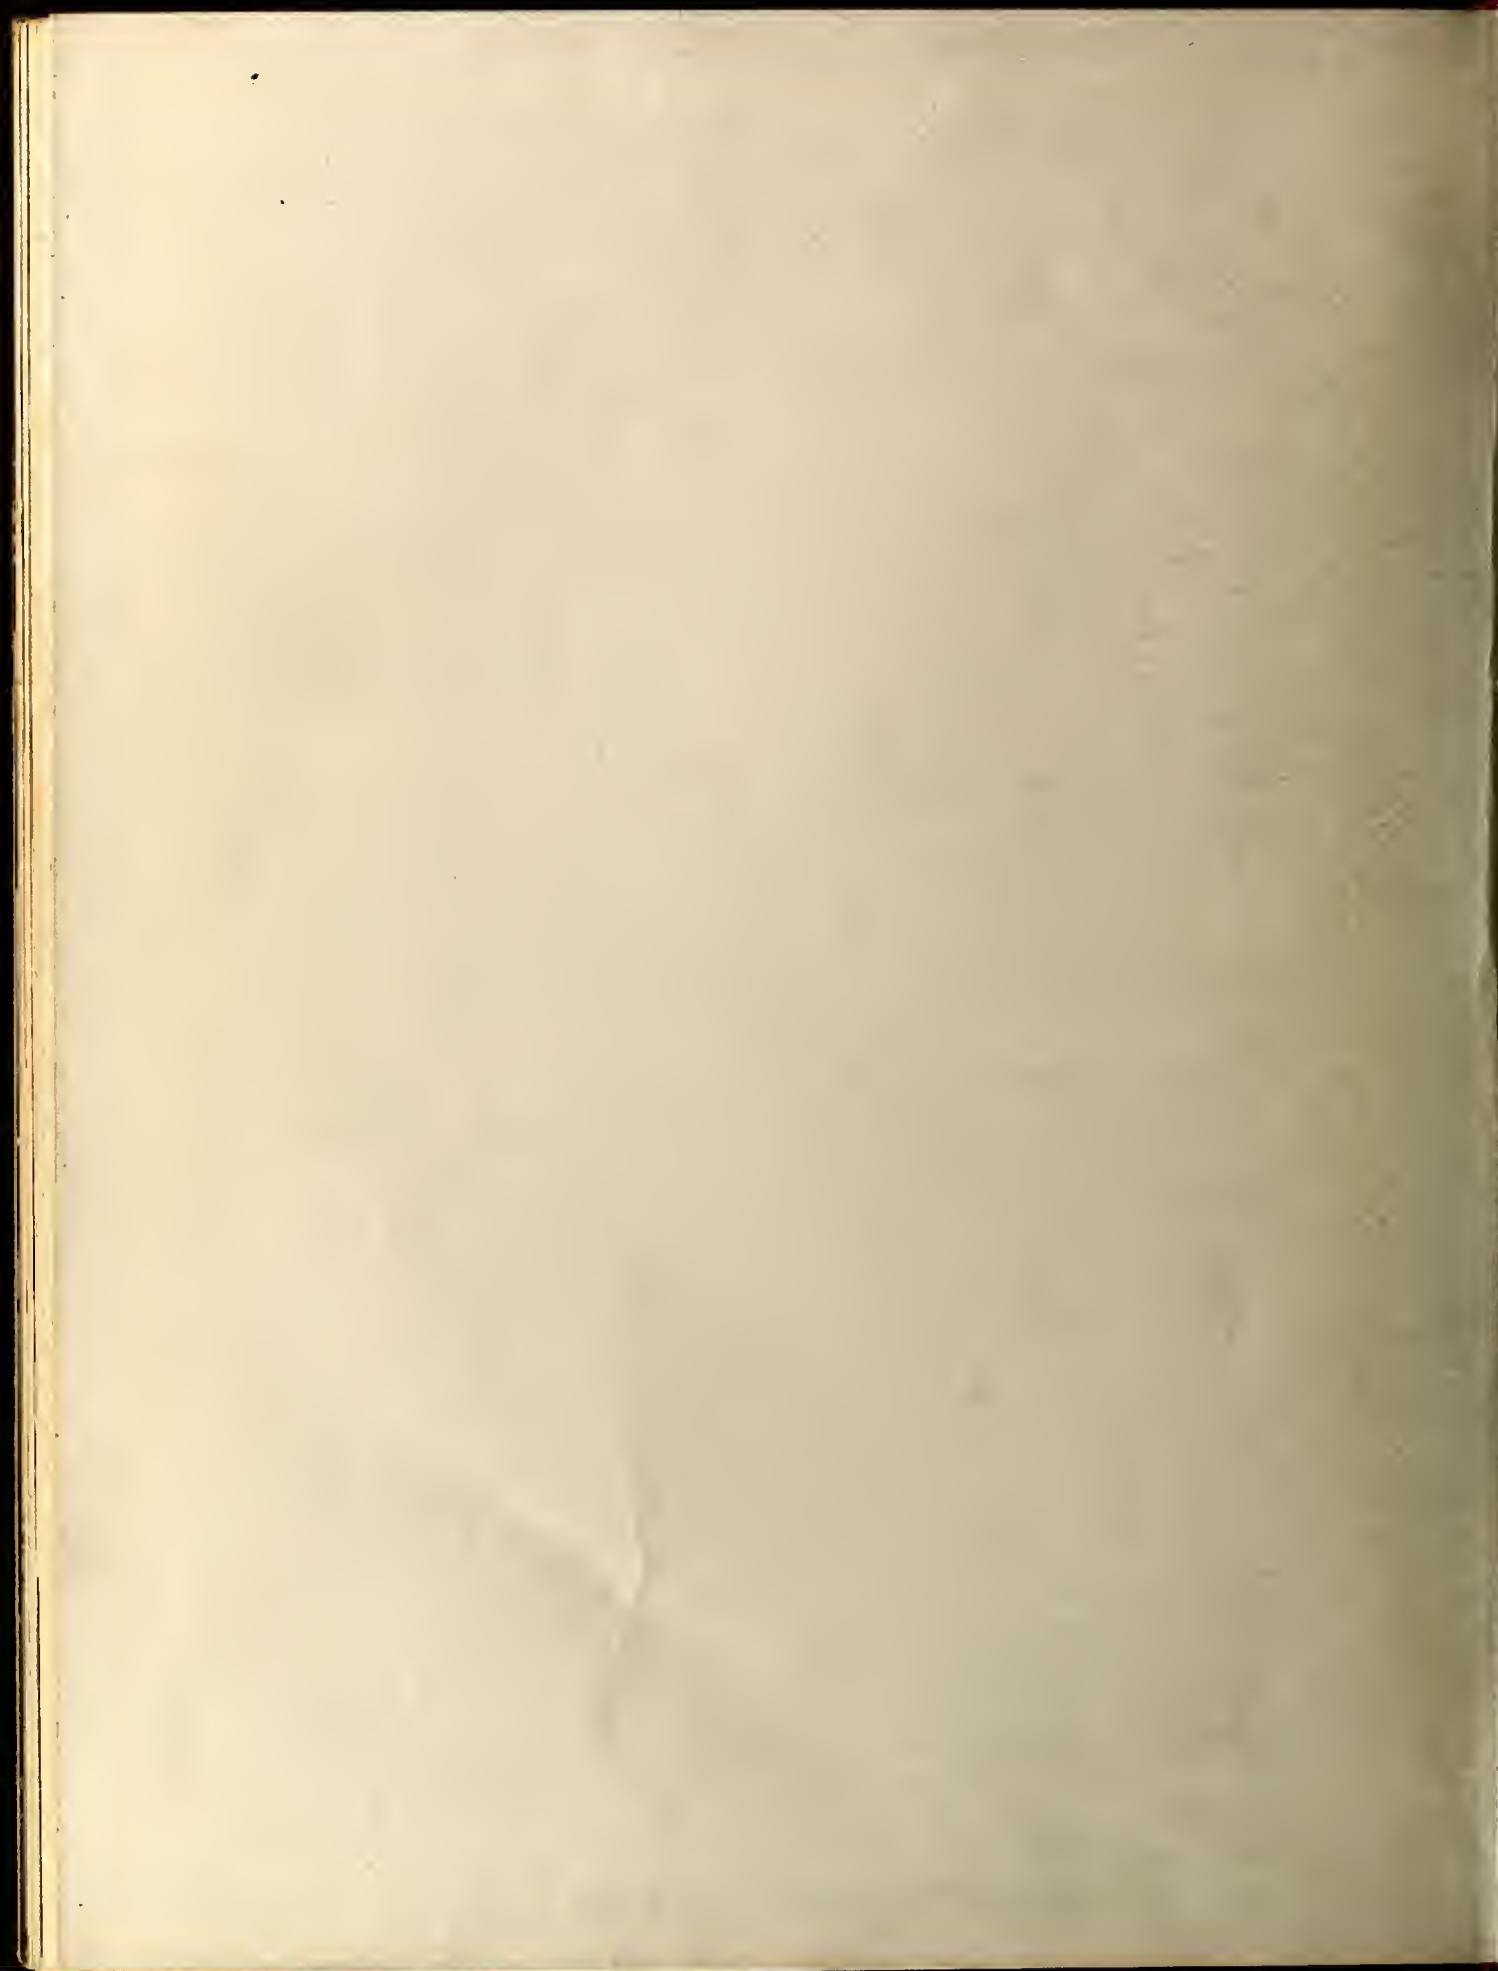

Do you remember last year when we had all those parties and telephone conversations? Wow! weren't they something?

We have another year in school together, and I hope we can have a lot of fun ~~together~~ together. We'll have a lot of decisions to make about the future won't we?

Wayne, I hope you'll be very successful in the years to come in school and in college. I hope that you will always be happy and will always do the right things. Wayne I think you are a wonderful person and you had better not change.

Always be good and may you always have the very best of everything including the three big W's in life: Wealth, Happiness and ^{Love} Health.

A friend always,
Linda
